

Community Service Opportunities

At your convenience, we have community service opportunities for all.

Some of the duties available are as follows:

Helping to set up classrooms for upcoming workshops – retrieving and returning supplies

Helping to develop an inventory of overstock items for e-Bay records and sales

Sorting in the warehouse

Stocking Shelves in the warehouse and on the sales floor

Dusting shelves in the Gift Shop, Book Exchange and on the Sales floor

When we begin to expand, we will need help moving things around and their help would be most welcome

We have also set aside Friday (from 10:00-5:00) for community service.

The store is closed on Friday with the exception of any home school workshops we are facilitating. However, this is the time that most of our volunteers are actively working in our store and would be able to work with your members.

Everyone will be required to sign in and sign out for their volunteer time

You possibly will be working with a number of our home school children who regularly volunteer.

We would request that everyone have a chaperone until they are familiar with the types of duties routinely performed in our facility.

PLEASE CALL AND LET US KNOW WHEN YOU WOULD LIKE TO VOLUNTEER.

TO REGISTER – CALL 636-946-9779
