Set up a Mini Factory – What does a factory do? Where do they get their materials? What types of products are produced? How are employees paid? Collectively decide what your factory is going to produce and begin work on the product(s) you have decided to produce.

Tuesday – July 5 – 1:00-2:30

Tuesday – July 5 – 5:30-7:00

Friday – July 8 – 10:30-12:00

Set up a Bank – How do you spend your paycheck? Learn how to set up a checking account or help a friend set up a checking account. Learn how to write checks and maintain a check register. Continue producing the factory product(s).

Tuesday – July 12 – 1:00-2:30

Tuesday – July 12 – 5:30-7:00

Friday – July 16 – 10:30-12:00

Develop a Business Budget – Learn the tricks of developing a practical budget, whether it be for your home or for a business. Continue producing the factory product(s).

Tuesday – July 19 – 1:00-2:30

Tuesday – July 19 – 5:30-7:00

Friday – July 22 – 10:30-12:00

Credit or Debit? – Learn the difference between credit and debit cards, their limits, how to protect them, why you should always keep the receipts for your purchases and decide if you are going to pay your bills by mail or on-line. Continue producing the factory product(s).

Tuesday – July 26 – 1:00-2:30

Tuesday – July 26 – 5:30-7:00

Friday – July 29 – 10:30-12:00

What Supplies Do I Need? - Learn to keep inventory for a business and be able to predict what items are needed the most. Take inventory in one area of Leftovers, collect the data, and then record it to make a presentation.

Tuesday – August 2 – 1:00-2:30

Tuesday – August 2 – 5:30-7:00

Friday – August 5 – 10:30-12:00

Determine the Price of Your Product – To determine the price of your product, you must factor in the number of people working each day, the number of products completed, the time it took to complete the product and the cost of materials used. What are your conclusions?

Tuesday – August 9 – 1:00-2:30

Tuesday – August 9 – 5:30-7:00

Friday – August 12 – 10:30-12:00

Advertising Techniques - What makes people buy different items? What makes you buy something? Look through magazines and ads aimed at children. Discuss when the most children's ads are on television. What are the seven common advertising techniques?

Tuesday – August 16 – 1:00-2:30

Tuesday – August 16 – 5:30-7:00

Friday – August 19 – 10:30-12:00

Advertising Techniques (Continued) – Continue to explore all of the advertising techniques that are available to business owners.

Tuesday – August 23 – 1:00-2:30

Tuesday – August 23 – 5:30-7:00

Friday – August 26 – 10:30-12:00

Develop an Advertising Campaign – Now that you have studied the types of advertising available, determine which method will best promote the product(s) you have developed at your factory.

Tuesday – August 30 – 1:00-2:30

Tuesday – August 30 – 5:30-7:00

Friday – September 2 – 10:30-12:00
